*We're glad you're here today
as we celebrate Mother's Day together!*

We're not only celebrating moms, but also honoring motherhood, maternal bonds, and the influence of mothers in our society and culture. As the Women's Pastor here at Mariners, I want to extend a special welcome to all our moms and every woman joining us this weekend! Welcome!

We place a high value on the role of mothers in our families and communities. Each of us has been touched by a maternal influence that has helped to shape and guide us and we want to say thank you!

If this is your first time with us, we would love to meet you and help you take your next step into community. Stop by the Welcome Center to say hello and enjoy the activities after the service today. Also, be sure to check out our upcoming summer events and join us in doing life together!

Blessings,

Carmella Hansberger
